Admission to the undergraduate program of the DSPM IIIT-NR is based strictly on the merit of the candidate as inferred from their performance in JEE (Joint Entrance Examination). The minimum eligibility for applying for the B.Tech program under Chhattisgarh quota at IIIT-NR is 50% aggregate marks in Physics and Mathematics (45% for SC/ST/OBC/PWD candidates) in their 12th standard examination. The eligibility for applying for the B.Tech program under All India category and NTPC quota is as per JoSAA guidelines.

#### Is Ph.D. offered at IIIT-NR?

Yes. Please visit Admission section at our website for further details.

#### When does admission for Ph.D. programs begin?

The admission for Ph.D. programs usually takes place at the beginning of each semester (i.e June for Autumn semester and December for Spring semester)

#### Is ragging prohibited in IIIT-NR?

Ragging of any kind is strictly prohibited in the Institution. As per the directions of the Hon'ble Supreme Court of India, if any incident of ragging comes to the notice of the authorities, the concerned student will be given liberty to explain and if his explanation is not found satisfactory, he or she will be expelled from the Institution.

#### Are there any scholarships available for B.Tech students?

Financial aid to the needy students is under active consideration of the Govt. Of Chhattisgarh. Any student entitled for financial aid as approved by the Govt. will get back to the refund from already paid fees.

#### Are there any seats reserved for female candidates?

For admission to its programs under CG Quota , the institute follows the Chhattisgarh State Government policy on reservation of 30% to Women. However , for admission under All India Quota & NTPC , Government of India policy on reservation applies.

#### What are the documents required to be submitted at the time of admission?

Please follow instructions available on the website as part of the application process.

#### How many students will be admitted to B.Tech. program ?

Please see the Admission Brochure.

#### What is the strength of faculty?

The Institute currently has 27 regular faculty members, with more joining in July 2019. In addition , there are adjunct and visiting faculty members too.

#### Is hostel facility available? Are day-scholars allowed?

Yes, there are three Boys hostels and one Girls hostel. All programs offered by IIIT-NR are fully residential. It is mandatory for all students to stay on campus, even if the student is from the Naya Raipur region. Hostel facilities for 1025 students (785 boys & 240 girls) are currently available.

#### What is minimum cut-off for application to B.Tech. programs?

There is no minimum cut-off of JEE Main Merit rankings.

#### Will IIIT Naya Raipur admission happen through JoSAA?

Yes w.e.f from 2017. Kindly visit JoSAA website at institute code 420. Admission through JoSAA is for All India Quota ( 35% seats).

#### When will online applications for admission begin?

Refer to the schedule announced.

### Can I apply under both All India quota and Chhattishgarh state quota?

Yes, through JoSAA in case of All India quota and through our web portal if you are eligible under Chhattishgarh state quota.

### What is the best chance of getting a seat at IIIT-NR while choice filling in JoSAA portal?

Select the choice of programs available at IIIT-NR (Institute code 420) as first ,second and Third choices.

### What is Admission under other categories?

Other categories mean admissions under a) 50 % seats under Chhattishgarh State Quota b) 15 % seats under NTPC quota.

### How do I apply under State quota?

After initial login at our admission portal, you will be asked to fill the requisite form.

### Is there any fee for application? If so, how to pay?

Yes, candidates have to pay Rs.500/- online through admission portal.

### Can I fill choices without application fee?

No. You will be able fill in choices only after successful fee payment.

### How should I order the choices of academic programs?

You must fill your choices of academic program in the DECREASING order of preferences. That is, your most preferred one should be on the top.

### Will a candidate be allowed to reshuffle the choice list at any stage of seat allotment?

Candidates are allowed to reshuffle/reorder their choices ONLY during choice filling period before they "lock" their choices. Beyond that there is NO option of reordering.

### What is locking of choices? Once locked, can I unlock?

Lock is an option indicating the finalization of choices. Choices will be automatically locked on the last date of application.

### What is the period of choice filling?

Refer to the schedule announced.

### Is there any cut off marks for registration and choice?

Yes, The eligibility for applying for the B.Tech program under Chhattisgarh quota at IIIT-NR is 50% aggregate marks in Physics and Mathematics (45% for SC/ST/OBC/PWD candidates) in their 12th standard examination. The eligibility for applying for the B.Tech program under All India category and NTPC quota is as per JoSAA guidelines.

### How many rounds of seat allotment will happen?

Three rounds

### What if seats remain vacant after three rounds? Will they be filled on quota or category basis?

Seats remaining vacant at the end of three rounds of counseling, under any quota or reserved category shall be converted to All-India General(Open) and shall be available for admissions in the Spot Round.
